A&R CARTON

The A&R Carton Group is a leading supplier in Europe of folding cartons and packaging machine solutions.

With 14 operating plants in 8 countries throughout the western, eastern and Nordic regions of Europe, the business is very well placed to supply international and regional customers with offset & gravure printed cartons to the highest specification.

A&R Carton is operating in four different Business Areas: Beer & Beverages, Consumer Goods, Speciality Packaging and Confectionery & Tobacco / East respectively.

A&R Carton's beverage packaging has decades of experience and technical knowledge in this market sector, as well as a comprehensive portfolio of well-proven designs including fully-enclosed cartons, sleeves, open basket carriers, and top-grips for bottle and can multipacks as well as special solutions for promotional activities.
