CORPORATE FASHION

FOR MEN AND WOMEN

MADE TO MEASURE

WOMEN'S WEAR

www.milano.com

OKTAVIA - a member of the otto group – is active in corporate fashion and ladies made to measure. Based in Hamburg, Oktavia was founded in 1977. We have motivated and competent employees in design, purchasing, pattern cutting, quality and product management, sales and logistics.

CORPORATE FASHION for men and women represents your company philosophy and competence. You are able to communicate your Corporate Identity to your customer and to force the unity of your employees, both at the same time. Oktavia combines flexibility with a variety of purchasing and logistical competence of the otto group. We develop individual concepts and collections for your requirements to secure for a perfect representation of your company.

With MADE TO MEASURE LADIES WEAR we provide individually fitted and produced clothing offering a choice of models and variations. Customers participate in the design of their own clothing. Products: suits or single items (jackets, trousers, skirts, waist coats) and blouses. Offered sizes 32 – 56, 3D body scanner connection possible.
